Do this by making a gross sales page for the brand new ebook, however don't embody a value on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is precisely the identical on each

page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This will inform you what your optimum worth is.
