sales and promotional materials, and every time anybody asks you about your ebook.

One is to offer one thing away without spending a dime together with your e book, resembling a invaluable bonus item. Or bundle a number of ebooks beneath one worth, which lowers the worth for each e book in the event that they were offered separately.

An effective technique for figuring out a value is to send out a survey to your current customers. If these prospects have already purchased an book from you, ask for their opinion when it comes to price. Do that by making a sales web page for the new e-book, but do not embody a value on that page. Another strategy is to check out prices by creating a number of duplicate sales pages with different costs on each page. Make certain your sales copy is exactly the identical on every web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum value is.
