Begin on the highest worth the market will bear to usher in the largest income, and plan to discount the e book a number of instances throughout the year.

One is to offer one thing away without cost with your book, comparable to a beneficial bonus item. Or bundle several ebooks underneath one value, which lowers the worth for every e book if they were offered separately.

An effective method for determining a value is to send out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by creating a sales page for the new guide, but don't embrace a value on that page. web page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.
