Do this by making a sales page for the brand new e book, but don't embody a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different costs on every page. Be certain that your sales copy is strictly the identical on every web page,

and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum worth is.
