After you determine your purpose, you should work out what your viewers's want is for your ebook. For example, does your ebook clear up a particular drawback? If it does, and solves it in a method that hasn't been written about in one hundred different ebooks, you may be able to obtain high sales

at a excessive price. In case your ebook solves a problem or answers questions in a brand new and unique manner, you should worth your ebook as high as you may go. If you want to see large earnings over buyer draw, goal for an audience that's searching for simple options to their problems at a low price. If your e-book is aimed toward fixing one explicit downside slightly than normal advice, then you may cost more. Start on the highest value the market will bear to usher in the largest earnings, and plan to low cost the guide a variety of instances throughout the year.

## Advertising Methods
