

Chemistry Themed First Semester Study Guide

Find out how to Price Your **Chemistry Themed First Semester Study Guide** eBook

You have written and compiled an **Chemistry Themed First Semester Study Guide** ebook. Now you need to determine how much to cost for it. Discovering the precise price is crucial to the success of your product. If you charge too little Chemistry Themed First Semester Study Guide , individuals will suppose it is of little value, and they won't purchase it, and even if they do purchase your ebook, you will have to sell thousands of copies to get to the point the place you may start to see a profit. If you happen to *Chemistry Themed First Semester Study Guide* price it too excessive in comparison with your competitors, you'll discover your self steadily decreasing the price, which will trigger you all types of new issues within the future.

Choosing the right price in your **Chemistry Themed First Semester Study Guide** ebook is without doubt one of the most crucial parts of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the best price your viewers can afford, after which in case you discover your e book isn't promoting, you possibly can always cut back the price. Before you are taking that step, make sure you are promoting your Chemistry Themed First Semester Study Guide book like loopy on the Web and on websites. The price must be aimed toward bringing in earnings, however you should never overlook that worth is without doubt one of the components that individuals use in judging the value of your *Chemistry Themed First Semester Study Guide* e-book ? earlier than they buy it. So at all times start with the very best worth, and then launch a mega-advertising and marketing campaign.

Pricing an ebook is especially troublesome as a result of ebooks are a fairly new commodity. Since

they're digital, the worth of an e-book is as confusing as the understanding of what digital really is to the common layperson. Which means we must look at ebooks in a special mild to be able to determine their precise value on this brave, new cyber world.

Let's look at the difference between a ebook in print and an ebook. A printed book is an object you'll be able to hold in your hand, retailer in your bookshelf, even hand down to the following generation. It's priced on factors such as paper stock, design and manufacturing costs, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books that have the ability to alter, or possibly transform, individuals's lives.

What do you think an concept is worth when evaluated towards the price of paper and ink?

It is the IDEAS which are helpful! That is how you determine the cost of your ebook.

What ought to I charge for my concepts?

There are all totally different formulas and strategies for figuring out the right worth for your ebook. Let's start with honing in on your ultimate goals.

Determine if your goal is to get vast distribution and most exposure. This aim is aimed at drawing prospects to your business or service, or to establishing the credibility of your reputation. If that is your most important aim, it's best to purpose to maintain your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive number of new customers. The secret's to discover a price that maximizes your income and the number of books you sell.

This is a superb pricing technique if you're seeking to acquire long-term customers. Long-term clients are extremely doubtless to buy from you again and once more ? so long as the primary book they buy is of exceptional high quality and beneficial to the customer.

Nonetheless, if your e-book accommodates precious ? and extra importantly NEW info, references, or methods ? then you should aim to price it on the high end.

After you determine your purpose, you will need to figure out what your audience's need is in your ebook. For instance, does your ebook solve a particular drawback? If it does, and solves it in a manner that hasn't been written about in 100 other ebooks, you'll be capable of obtain high gross

sales at a high price. In case your ebook solves a problem or solutions questions in a new and unique manner, you need to value your ebook as excessive as you'll be able to go. You will achieve larger earnings this way, however bring in fewer customers. Just be certain that the query or drawback that your e book solves is one that is essential and related to the vast majority of your market audience. In case your ideas aren't frequent knowledge, or you're presenting a model new approach, you will be able to sell books at a high price. Simply be ready in your competitors to undercut you on value as soon as they hear about your book.

Take into account that the above pricing strategy is temporary. Finally, you'll cease to promote books at this excessive price. So figure out in advance how lengthy you plan to offer your e-book at this excessive price, and when that point is up, change your pricing strategy.

If you wish to see giant profits over buyer draw, purpose for an audience that is looking for straightforward solutions to their issues at a low price. If your guide is aimed toward solving one specific problem reasonably than basic advice, then you may charge more. Begin at the highest price the market will bear to bring in the largest earnings, and plan to low cost the guide a variety of times all through the year.

Marketing Strategies

The key that unlocks the sales potential of your e book is to find a single sentence that becomes your promoting handle. This sentence states what query or downside your guide answers and the benefits your e-book can provide. Then you should definitely use that sentence in each piece of

sales and promotional material, and every time anyone asks you about your ebook.

Moreover promoting your books assiduously on-line, there are a number of different methods that can help you promote more books.

One is to present something away for free together with your e-book, similar to a useful bonus item. Or bundle a number of ebooks under one price, which lowers the value for each e-book in the event that they had been bought separately.

An effective approach for determining a value is to ship out a survey to your present customers. If these clients have already bought an book from you, ask for their opinion in terms of price. Do this by creating a sales page for the brand new guide, but do not include a worth on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with different costs on every page. Ensure your gross sales copy is strictly the same on each page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum value is.

Ultimately, should you've written a guide that solves a drawback or presents a new technique, your ebook will herald each site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your book solves and what the advantages of your *Chemistry Themed First Semester Study Guide* guide will be to the purchasers who purchase it. After which watch your market come to you!
