Methods to Price Your **Concept Connector Study Guide** eBook

You've written and compiled an **Concept Connector Study Guide** ebook. Now you must determine how a lot to cost for it. Discovering the suitable price is crucial to the success of your product. If you charge too little Concept Connector Study Guide, individuals will think it is of little value, they usually will not purchase it, or even if they do purchase your e book, you will have to sell hundreds of copies to get to the purpose where you can start to see a profit. When you *Concept Connector Study Guide* price it too high in comparison along with your competition, you can find yourself steadily lowering the price, which can cause you all kinds of new problems in the future.

Choosing the right value for your **Concept Connector Study Guide** ebook is among the most critical elements of the marketing process. The first rule of pricing ebooks is to never underprice. Decide the best worth your viewers can afford, after which for those who find your e book isn't promoting, you can always scale back the price. Before you are taking that step, be sure you are selling your Concept Connector Study Guide e book like loopy on the Web and on websites. The worth needs to be aimed toward bringing in earnings, however you need to by no means overlook that price is without doubt one of the elements that people use in judging the worth of your *Concept Connector Study Guide* e book ? earlier than they purchase it. So all the time begin with the best price, and then launch a mega-advertising campaign.

Pricing an e book is especially troublesome because ebooks are a reasonably new commodity. Since they're digital, the worth of an book is as complicated as the understanding of what digital actually is to the common layperson. Which means that we should have a look at ebooks in a distinct gentle in an effort to decide their precise value on this brave, new cyber world.

Let us take a look at the distinction between a guide in print and an ebook. A printed e book is an object you possibly can maintain in your hand, retailer on your bookshelf, even hand down to the next generation. It is priced on factors such as paper stock, design and production costs, and marketing.

However the truth that unites ebooks and print books is that they're composed of ideas. It is the concepts in these books that have the power to change, or probably remodel, people's lives.

What do you think an concept is price when evaluated against the cost of paper and ink?

It's the IDEAS which might be helpful! That's the way you decide the cost of your ebook.

What should I charge for my ideas?

There are all different formulas and methods for determining the right worth to your ebook. Let's begin with honing in on your ultimate goals.

Resolve if your goal is to get large distribution and most exposure. This goal is geared toward drawing customers to your corporation or service, or to establishing the credibility of your reputation. If that is your principal aim, you need to intention to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a high variety of new customers. The secret's to discover a worth that maximizes your income and the variety of books you sell.

This is a wonderful pricing strategy if you're trying to acquire long-term customers. Long-time

period customers are extraordinarily likely to purchase from you once more and again ? as long as the primary e-book they purchase is of exceptional quality and beneficial to the customer.

However, in case your e book comprises beneficial ? and more importantly NEW information, references, or strategies ? then you should aim to price it on the excessive end.

After you determine your aim, it's essential to determine what your viewers's want is in your ebook. For instance, does your e book clear up a specific drawback? If it does, and solves it in a method that hasn't been written about in one hundred different ebooks, you will be in a position to obtain high sales at a excessive price. In case your ebook solves a problem or answers questions in a new and unique means, you should value your book as excessive as you may go. You will achieve larger income this way, but bring in fewer customers. Simply be sure that the question or drawback that your e book solves is one that is necessary and relevant to the majority of your market audience. In case your concepts are not widespread information, or you are presenting a brand new method, it is possible for you to to promote books at a high price. Just be prepared on your competition to undercut you on worth as quickly as they hear about your book.

Needless to say the above pricing strategy is temporary. Eventually, you'll cease to promote books at this high price. So determine prematurely how long you plan to supply your e-book at this high value, and when that time is up, change your pricing strategy.

If you wish to see giant income over customer draw, intention for an audience that's looking for simple solutions to their problems at a low price. If your ebook is aimed at fixing one explicit

drawback fairly than common recommendation, then you'll be able to cost more. Start at the highest worth the market will bear to bring in the largest profits, and plan to low cost the e-book a number of occasions all through the year.

Advertising Methods

The key that unlocks the gross sales potential of your e-book is to discover a single sentence that turns into your promoting handle. This sentence states what question or drawback your ebook answers and the benefits your e book can provide. Then make sure you use that sentence in every piece of gross sales and promotional material, and each time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are several different methods that can show you how to sell more books.

One is to provide one thing away at no cost with your e-book, comparable to a helpful bonus item. Or bundle a number of ebooks beneath one price, which lowers the value for every ebook in the event that they had been sold separately.

An effective method for figuring out a worth is to ship out a survey to your current customers. If these customers have already purchased an book from you, ask for their opinion in terms of price. Do

this by making a sales web page for the new e-book, however don't embody a price on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on every page. Make sure your gross sales copy is precisely the same on every page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum price is.

Finally, if you've written a book that solves a downside or presents a new technique, your book will usher in both visitors and profits. So be sure to write that selling-deal with sentence that sums up what drawback your ebook solves and what the benefits of your *Concept Connector Study Guide* ebook will probably be to the shoppers who purchase it. And then watch your market come to you!
