When you *Long Way From Chicago Study Guide* value it too excessive in comparison along with your competition, you can find your self steadily decreasing the value, which can trigger you all types of new problems within the future.

Choosing the right price for your **Long Way From Chicago Study Guide** e-book is among the most crucial elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the very best value your viewers can afford, and then if you discover your guide isn't promoting, you can always reduce the price. Earlier than you take that step, ensure you are promoting your Long Way From Chicago Study Guide e-book like loopy on the Internet and on websites. The price ought to be geared toward bringing in income, but it's best to never neglect that worth is among the components that individuals use in judging the worth of your *Long Way From Chicago Study Guide* book ? earlier than they purchase it. So all the time begin with the highest value, and then launch a mega-advertising and marketing campaign.

Pricing an book is particularly tough as a result of ebooks are a reasonably new commodity. Since

they're digital, the value of an book is as confusing because the understanding of what digital really is to the common layperson. Which means we must have a look at ebooks in a distinct mild with a view to decide their actual price in this courageous, new cyber world.

Let us take a look at the distinction between a ebook in print and an ebook. A printed book is an object you'll be able to hold in your hand, retailer on your bookshelf, even hand down to the following generation. It's priced on components such as paper inventory, design and manufacturing prices, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It is the concepts in these books which have the flexibility to vary, or possibly remodel, people's lives.

What do you assume an thought is value when evaluated in opposition to the cost of paper and ink?

It is the IDEAS which might be useful! That's the way you determine the price of your ebook.

What ought to I charge for my ideas?

There are all totally different formulas and strategies for determining the proper price in your ebook. Let's start with honing in on your final goals.

Resolve if your aim is to get wide distribution and maximum exposure. This objective is aimed toward drawing clients to your online business or service, or to establishing the credibility of your reputation. If that is your foremost objective, it's best to purpose to keep your price on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive number of new customers. The secret is to discover a value that maximizes your income and the variety of books you sell.

This is an excellent pricing technique if you are seeking to acquire lengthy-time period customers. Lengthy-time period customers are extraordinarily likely to purchase from you again and once more ? so long as the first book they buy is of exceptional quality and beneficial to the customer.

Nevertheless, in case your e book accommodates valuable ? and more importantly NEW information, references, or strategies ? then you must aim to price it on the high end.

After you determine your goal, you must work out what your audience's need is to your ebook. For example, does your guide solve a specific problem? If it does, and solves it in a means that hasn't been written about in one hundred other ebooks, you may be capable of obtain excessive gross sales

at a high price. In case your e book solves an issue or answers questions in a brand new and unique approach, you must worth your e book as high as you possibly can go. You'll obtain bigger earnings this manner, however herald fewer customers. Just ensure that the question or downside that your guide solves is one that is important and related to the majority of your market audience. If your ideas are usually not frequent knowledge, or you are presenting a model new approach, it is possible for you to to promote books at a excessive price. Simply be ready on your competitors to undercut you on worth as soon as they hear about your book.

Understand that the above pricing technique is temporary. Finally, you'll stop to promote books at this high price. So figure out in advance how lengthy you plan to supply your book at this excessive price, and when that time is up, change your pricing strategy.

If you want to see massive income over buyer draw, intention for an audience that's searching for simple options to their problems at a low price. In case your ebook is aimed toward solving one particular downside relatively than normal advice, then you can charge more. Begin at the highest value the market will bear to bring in the largest income, and plan to discount the guide a number of instances all through the year.

Advertising Methods

The key that unlocks the sales potential of your e-book is to discover a single sentence that becomes your selling handle. This sentence states what query or problem your guide solutions and the benefits your book can provide. Then be sure you use that sentence in every piece of gross sales and

promotional material, and every time anyone asks you about your ebook.

Apart from selling your books assiduously on-line, there are several other strategies that can make it easier to promote extra books.

One is to provide something away without spending a dime together with your e-book, reminiscent of a priceless bonus item. Or bundle several ebooks underneath one value, which lowers the value for each e-book in the event that they had been sold separately.

An efficient technique for determining a worth is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do this by creating a sales web page for the new e book, however don't embrace a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with different costs on every page. Ensure your sales copy is strictly the identical on each web page, and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum value is.

In the end, when you've written a book that solves a problem or presents a new method, your ebook will usher in both site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what downside your guide solves and what the benefits of your *Long Way From Chicago Study Guide* ebook will be to the purchasers who buy it. And then watch your market come to you!
