Do this by creating a gross sales web page for the new guide, but do not include a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with totally different costs on each page. Be certain that your gross sales copy is strictly the same on every

page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum value is.
