If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new e-book, however don't include a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Be sure your sales copy is precisely the similar on every page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum value is.
