An effective approach for figuring out a worth is to ship out a survey to your current customers. If these clients have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the new book, but do not embrace a worth on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with totally different prices on every page. Be sure that your sales copy is strictly the same on each web page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum worth is.

In the end, in the event you've written a guide that solves a drawback or presents a brand new approach, your book will herald each site visitors and profits.
