that by creating a gross sales web page for the brand new book, but do not include a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with different prices on each page. Ensure that your gross sales copy is exactly the same on each web page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum price is.

In the end, when you've written a e-book that solves a drawback or presents a brand new approach, your book will herald both traffic and profits.
