An effective technique for determining a value is to send out a survey to your current customers. If these prospects have already purchased an book from you, ask for their opinion in terms of price. Do this by making a gross sales page for the brand new guide, but do not embody a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with totally different costs on each page. Make sure your gross sales copy is strictly the identical on each web page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, if you've written a book that solves a drawback or presents a brand new technique, your book will bring in both traffic and profits. So be sure you write that promoting-deal with sentence that sums up what downside your guide solves and what the advantages of your 1072 guide can be to the shoppers who buy it.
