Marketing Methods

The key that unlocks the gross sales potential of your e book is to find a single sentence that turns into your selling handle. An efficient technique for figuring out a value is to send out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the new ebook, however don't include a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with different costs on each page. Make sure your gross sales copy is exactly the identical on each web page, and

includes your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.
