Another technique is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is exactly the identical on every page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, when you've written a ebook that solves a problem or presents a new method, your book will herald both visitors and profits.
