Advertising Strategies

The key that unlocks the gross sales potential of your book is to discover a single sentence that turns into your selling handle. An effective method for determining a worth is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion in terms of price. Do this by making a sales web page for the new book, but don't include a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is exactly the same on every page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum price is.

Ultimately, in case you've written a book that solves a drawback or presents a new technique, your

guide will usher in both visitors and profits. So you should definitely write that promoting-handle sentence that sums up what drawback your e-book solves and what the benefits of your 1371 guide will be to the purchasers who buy it. After which watch your market come to you!
