Then be sure to use that sentence in each piece of sales and promotional material, and every time anyone asks you about your ebook.

In addition to promoting your books assiduously on-line, there are several different strategies that can enable you to promote more books.

One is to present something away totally free with your ebook, comparable to a beneficial bonus item. Or bundle several ebooks below one worth, which lowers the worth for each e-book if they were sold separately.

An efficient technique for figuring out a value is to ship out a survey to your current customers. If these customers have already bought an ebook from you, ask for his or her opinion in terms of

price. Do that by creating a sales web page for the brand new e-book, but do not include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Make sure your gross sales copy is strictly the identical on every web page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum worth is.

In the end, should you've written a e-book that solves a downside or presents a brand new technique, your guide will bring in both visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your e book solves and what the advantages of your 1401 guide will be to the purchasers who purchase it. And then watch your market come to you!
