If these customers have already bought an book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the brand new ebook, but don't include a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with different prices on every page. Ensure your sales copy is precisely the identical on each page, and

includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum price is.

Ultimately, if you happen to've written a e book that solves a drawback or presents a brand new method, your book will bring in each visitors and profits.
