One other strategy is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Make sure your sales copy is precisely the same on every page,

and contains your selling-handle sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum value is.

Finally, should you've written a e-book that solves a problem or presents a brand new technique, your e book will herald both visitors and profits.
