An effective approach for determining a value is to send out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion in terms of price. Do this by making a gross sales page for the brand new guide, but do not include a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with totally different prices on every page. Be sure your gross sales copy is precisely the identical on every

web page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum value is.

Ultimately, in the event you've written a e-book that solves a problem or presents a brand new method, your ebook will bring in both visitors and profits. So make sure you write that promoting-deal with sentence that sums up what downside your e-book solves and what the benefits of your 1515 ebook might be to the customers who purchase it.
