these customers have already purchased an book from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the brand new book, however do not embody a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with different prices on every page. Be sure your gross sales copy is exactly the identical on every web page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum value is.

In the end, for those who've written a ebook that solves a drawback or presents a brand new approach, your ebook will usher in each site visitors and profits.
