If you want to see giant income over customer draw, goal for an audience that is looking for simple options to their problems at a low price. If your e book is aimed toward fixing one explicit problem somewhat than general recommendation, then you'll be able to cost more. Start on the highest value the market will bear to bring in the largest earnings, and plan to low cost the book a number of instances throughout the year.

One other technique is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Make sure that your sales copy is precisely the identical on every page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. It will inform you what your optimum value is.
