Do that by making a gross sales web page for the new guide, however do not include a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Be certain that your gross sales copy is precisely the similar on every page, and consists of your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum value is.

Finally, when you've written a book that solves a drawback or presents a brand new technique, your e-book will usher in both traffic and profits.
