piece of sales and promotional material, and each time anybody asks you about your ebook.

An efficient method for figuring out a worth is to ship out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the new guide, but don't embrace a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Ensure your gross sales copy is exactly the identical on each web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum price is.

Finally, when you've written a e book that solves a downside or presents a brand new technique, your e-book will herald both site visitors and profits. So make sure to write that promoting-handle sentence that sums up what drawback your ebook solves and what the benefits of your 163 guide can be to the shoppers who purchase it.
