As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with totally different costs on every page. Make sure that your gross sales copy is precisely the identical on every web page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum value is.

Ultimately, if you happen to've written a ebook that solves a problem or presents a new technique, your e-book will usher in both visitors and profits.
