As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on each page. Be sure that your sales copy is exactly the identical on each web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum worth is.

Finally, in case you've written a book that solves a drawback or presents a brand new technique, your book will bring in both site visitors and profits.
