excessive price. If your e-book solves a problem or answers questions in a brand new and unique manner, it is best to price your e-book as excessive as you may go. If you wish to see large income over customer draw, purpose for an audience that is looking for straightforward solutions to their issues at a low price. In case your e-book is aimed toward solving one particular drawback rather than common recommendation, then you can charge more. Start on the highest worth the market will bear to bring in the largest income, and plan to discount the ebook a variety of occasions all through the year.

Do this by creating a gross sales page for the new book, but don't embrace a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with totally different prices on every page. Make sure that your sales copy is exactly the identical on each web page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum worth is.

In the end, for those who've written a guide that solves a problem or presents a new technique, your e-book will herald each site visitors and profits.
