As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with totally different costs on every page. Be certain that your sales copy is precisely the identical on each

web page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum worth is.

Finally, when you've written a e book that solves a drawback or presents a new technique, your e book will bring in both site visitors and profits.
