Another strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Be certain that your gross sales copy is precisely the same on every page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum value is.

In the end, in case you've written a e-book that solves a downside or presents a new method, your guide will bring in both traffic and profits. So make sure to write that promoting-handle sentence that sums up what drawback your guide solves and what the advantages of your 1729 e-book will probably be to the purchasers who purchase it.
