Do this by creating a gross sales web page for the brand new guide, but don't embrace a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with completely different costs on each page. Make certain your sales copy is precisely the same on each web page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.

Ultimately, in case you've written a ebook that solves a downside or presents a new method, your

ebook will bring in both visitors and profits. So you should definitely write that promoting-handle sentence that sums up what problem your ebook solves and what the benefits of your 1820 guide shall be to the customers who buy it. And then watch your market come to you!
