that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be certain that your sales copy is precisely the identical on each web page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum value is.
