One other strategy is to test out costs by making a variety of duplicate sales pages with totally different prices on every page. Be certain your sales copy is exactly the identical on every web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum worth is.

Finally, for those who've written a guide that solves a problem or presents a brand new technique, your guide will bring in each visitors and profits.
