As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with totally different prices on each page. Be sure your gross sales copy is precisely the identical on

every web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum value is.

In the end, if you've written a e-book that solves a drawback or presents a brand new technique, your e book will bring in both traffic and profits.
