Do that by creating a gross sales web page for the new book, but do not embrace a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is precisely the same on each web page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum worth is.
