Do this by creating a sales page for the new guide, however do not include a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with different costs on each page. Be certain that your sales copy is precisely the similar on every

page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.
