If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new ebook, but do not embrace a price on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by making a number of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is strictly the similar on every page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum price is.

Finally, in case you've written a e-book that solves a problem or presents a brand new method, your guide will usher in both visitors and profits. So be sure to write that selling-handle sentence that sums up what drawback your ebook solves and what the benefits of your 2118 ebook shall be to the customers who buy it.
