An efficient technique for determining a worth is to ship out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion in terms of price. Do that by making a sales web page for the new guide, however don't embody a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with different costs on each page. Make sure your gross sales copy is exactly the identical on each page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum value is.

Finally, if you've written a book that solves a downside or presents a brand new technique, your e-book will bring in both visitors and profits. So be sure to write that selling-deal with sentence that sums up what drawback your e-book solves and what the benefits of your 212 e-book will be to the shoppers who buy it.
