Advertising Methods

The important thing that unlocks the gross sales potential of your e-book is to discover a single sentence that becomes your selling handle. An effective method for determining a price is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion by way of price. Do this by making a sales page for the new e book, but don't embody a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with different prices on every page. Be certain that your gross sales copy is strictly the same on each

web page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum worth is.
