Another technique is to check out prices by making a number of duplicate gross sales pages with completely different costs on each page. Make sure your gross sales copy is precisely the identical

on every web page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This may inform you what your optimum worth is.

Finally, in the event you've written a e-book that solves a downside or presents a brand new method, your e book will herald each site visitors and profits.
