As a substitute, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with completely different costs on every page. Be sure your sales copy is precisely the same on each web page, and

contains your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.
