price. Do this by creating a gross sales web page for the new ebook, but don't embody a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Be sure your gross sales copy is exactly the same on each web page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum value is.

In the end, if you happen to've written a book that solves a drawback or presents a new technique, your book will usher in each traffic and profits.
