If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the brand new guide, however don't include a worth on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with different prices on every page. Be sure your gross sales copy is strictly the same on every web page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, for those who've written a ebook that solves a drawback or presents a new method, your book will herald both visitors and profits.
