that by creating a sales page for the new ebook, but do not include a price on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with different costs on every page. Be sure your sales copy is precisely the same on each page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum price is.

Ultimately, when you've written a ebook that solves a problem or presents a brand new approach, your e-book will usher in both site visitors and profits.
