An effective approach for determining a worth is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the new guide, but don't embody a worth on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different prices on each page. Make sure your gross sales copy is strictly the similar on each page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum worth is.
