each piece of sales and promotional materials, and every time anyone asks you about your ebook.

An efficient method for determining a price is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion by way of price. Do that by making a sales web page for the brand new e-book, but do not include a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with different costs on every page. Be sure that your sales copy is precisely the same on each page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. It will inform you what your optimum worth is.

Finally, for those who've written a e-book that solves a problem or presents a brand new technique, your guide will herald both visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your e book solves and what the advantages of your 227 e-book will be to the shoppers who buy it.
