Do that by making a gross sales page for the new guide, however do not embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is exactly the same on each

web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum value is.

In the end, for those who've written a guide that solves a drawback or presents a new method, your book will usher in each site visitors and profits.
