Do that by making a sales page for the new e book, however do not embody a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with totally different costs on every page. Make certain your gross sales copy is precisely the same on

each web page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum worth is.

In the end, if you happen to've written a ebook that solves a drawback or presents a new technique, your guide will bring in both traffic and profits.
