Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with totally different costs on every page. Be certain your sales copy is strictly the same on each web page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum price is.

Ultimately, if you happen to've written a guide that solves a drawback or presents a new technique, your e book will usher in both site visitors and profits.
