page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Ensure your gross sales copy is strictly the identical on every page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum value is.

Finally, if you've written a book that solves a drawback or presents a new method, your book will herald both site visitors and profits.
