If these clients have already purchased an book from you, ask for his or her opinion in terms of price. Do this by making a gross sales web page for the new book, but don't include a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Be certain that your sales copy is strictly the similar

on every web page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum worth is.
